The screenshot shows the 'HTML Course for Beginners' page on the Vidhyalaya website. The page layout includes a header with the site logo and navigation links (Home, Courses, Instructors, Enrollment). The main content area features the course title, a brief description, a star rating (4.6), the number of learners (5.8L+), the skill level (Beginner), and the duration (2.0 Hrs). The instructor's name, Sagar Reddy, is listed. Below this is a section titled 'About this Course' with a paragraph explaining the importance of HTML. A 'Skills you'll gain' section lists three skills: 'Structure pages with HTML', 'Present data with tables', and 'Write cleaner HTML'. A 'Syllabus' section lists three topics: 'Elements and Structure', 'Tables', and 'Forms'. On the right side, there is a sidebar with a course image, the price (\$20), an 'ENROLL NOW' button, and a table of course details.
